

Bits of Blue

Vol. 31 No.10

October, 2018

October 10, 2018, 6:30PM meeting at Pepin

Upcoming meeting presentation

"Chromebooks 2018"

Merle Nicholson, TPCUG member

There have been some major changes in Chromebook product lines; availability, cost and capabilities. If you're planning to buy a new laptop, it makes sense to consider Chromebooks as an alternative to Mac or Windows 10. They're available everywhere now.

There are opportunities to re-use older Windows notebooks by installing a Chromebook OS called "Neverware CloudReady" at <https://www.neverware.com>

We'll be using a presentation from the 2018 collection of APCUG Virtual Tech Conferences.

November meeting: "Crime Prevention Task Force"

Officers and Board Members

President: John Witmer (president@tpcug.org) 813-949-8007
